**INFORMATION DISCLOSURE STATEMENT**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

The Examiner's attention is invited to the following documents which are set forth in the accompanying form PTO-1449, enclosed in duplicate. These documents were forwarded to or cited by the Examiner in the predecessor application and a copy of each of these documents should be in the predecessor application file. Accordingly, no additional copies are being forwarded with this Information Disclosure Statement, except for those references

requested by the Examiner on October 17, 2000. Copies of these references were forwarded to the PTO with the Information Disclosure Statement filed on April 21, 2000 in the parent application but were misplaced by the PTO. (These references are marked with an asterisk below.)

Applicants also respectfully invite the Examiner's attention to any other reference cited during the prosecution of the parent application. These references are hereby incorporated into this Information Disclosure Statement.

This Information Disclosure Statement is not a representation that the documents cited herein are considered most pertinent, or that a search has been undertaken, or that any of the cited documents are indeed prior art. The Examiner is invited to undertake an independent search.

Applicants have also enclosed a copy Form PTO 1449 (in duplicate) which is also considered part of this Information Disclosure Statement.

Applicants respectfully request that the Examiner consider and make of record the document cited herein and that a copy of Form PTO-1449, initialed by the Examiner, be returned to the Applicant's attorneys.

It is believed that no fees are required by the instant submission as it is prior to receipt of the first Office Action in this application. However, if any fees are required, or if any overpayment has been made, please charge such fee, or credit any overpayment, to Deposit Account 50-0320.

Respectfully submitted,
